

Strategic Plan 2020-2025

Our Mission.

To provide practical support and donations for agencies and organisations in Canterbury who advocate for vulnerable women and children.

Our Vision.

A Canterbury where all women and children who have experienced family violence or vulnerability, are safe, well supported and resourced through agencies that we collaborate with.

Goal 1: Build The Christchurch Aunties network throughout Canterbury

Mobilise people to engage with us through an accessible and varied Volunteer Programme.

Promote our vision to community groups and businesses with an Outreach Comms Plan.

Engage with organisations in North Canterbury, Selwyn District, and Mid and South Canterbury.

Goal 2: Increase the capability of The Christchurch Aunties

Establish an 'Aunties Attic HQ' with workshop capability for restoring and repairing, office hub, and volunteer station.

Connect and engage with a wider audience through responsive and interactive technology.
